Our website uses the remarketing or "similar target groups" function by Google Inc. (1600 Amphitheatre Parkway, Mountain View, CA 94043, USA; "Google"). This function serves to analyse visitor behaviour and visitor interests. Google uses cookies to analyse website use, forming the basis for producing interest-related adverts. Processing is carried out on the basis of art. 6 (1) lit. f GDPR due to our justified interest in addressing visitors to the website with targeted marketing by displaying personalised interest-related adverts when they visit other websites in the Google display network.

Use of Google Adwords conversion tracking

Our website uses the online marketing programme "Google AdWords", including conversion tracking. Google conversion tracking is a service operated by Google Inc. (1600 Amphitheatre Parkway, Mountain View, CA 94043, USA; "Google"). If you click on adverts placed by Google, a cookie is placed on your computer for conversion tracking. These cookies have limited validity, do not contain any personal data and thus cannot be used for personal identification. If you visit certain pages on our website and the cookie has not yet expired, we and Google can recognise that you have clicked on the advert and were forwarded to this page. Every

Google AdWords customer receives a separate cookie. Therefore, it is not possible to track cookies relating to the websites of AdWords customers. The information collected using the conversion cookie serves the purpose of producing conversion statistics. This allows us to find out the total number of users who have clicked on our adverts and were forwarded to a page equipped with a conversion tracking tag. However, they do not receive any information with which could be used to personally identify users. Processing is carried out on the basis of art. 6 (1) lit. f GDPR due to our justified interest in targeted marketing and analysis of the effectiveness and efficiency of this marketing.

We would, however, like to point out that this may prevent you from making full use of all the functions of this website. You will then not be included in the conversion tracking statistics. You can also deactivate personalised advertising in Google's advertising settings. You can find an introduction to this at <https://support.google.com/ads/answer/2662922> You can also deactivate the use of cookies by third parties by calling up the Network Advertising Initiative deactivation page at <https://www.networkadvertising.org/choices/> and following the opt-out instructions.
